

ConnectPointz

We Process. You Profit.

Award winning electronic order processing service of ACT Data Services, Inc. Fair Lawn, NJ 07410

Quick View of Basic Features

Overview of Connectpointz Functionality

- B2B wholesale and B2C order fulfillment standardization all in one common dashboard
- Connectpointz utilizes ACT Data's full library of EDI mappings for 100% compliance with **every retailer** trading via EDI in the USA and many foreign tradepartners as well.
- Connectpointz also natively integrates with online stores, marketplaces, order/inventory management, warehouse management and shipping softwares via API or EDI
- Full cartonization features and UCC-128 labels are made extremely easy with the cartonizing Wizards included
- Connectpointz User Interface is designed to provide a quick view and drill down of all orders and run preconfigured reports that you set up on a schedule
- Connectpointz is designed for integrations with each client's fulfillment systems for full order-through-cash automation.
- You may still run the full order life cycle manually within Connectpointz when or if necessary

Order Dashboard

- View status of all orders
- Process orders manually if necessary
- Set Filters and run reports
- Check for unaligned data

Maintain Connectors

- Add or disable new Sales Channels
- Add or disable new Shippers/Fulfillment resources
- Align Carrier codes between Sales Channel and Shippers

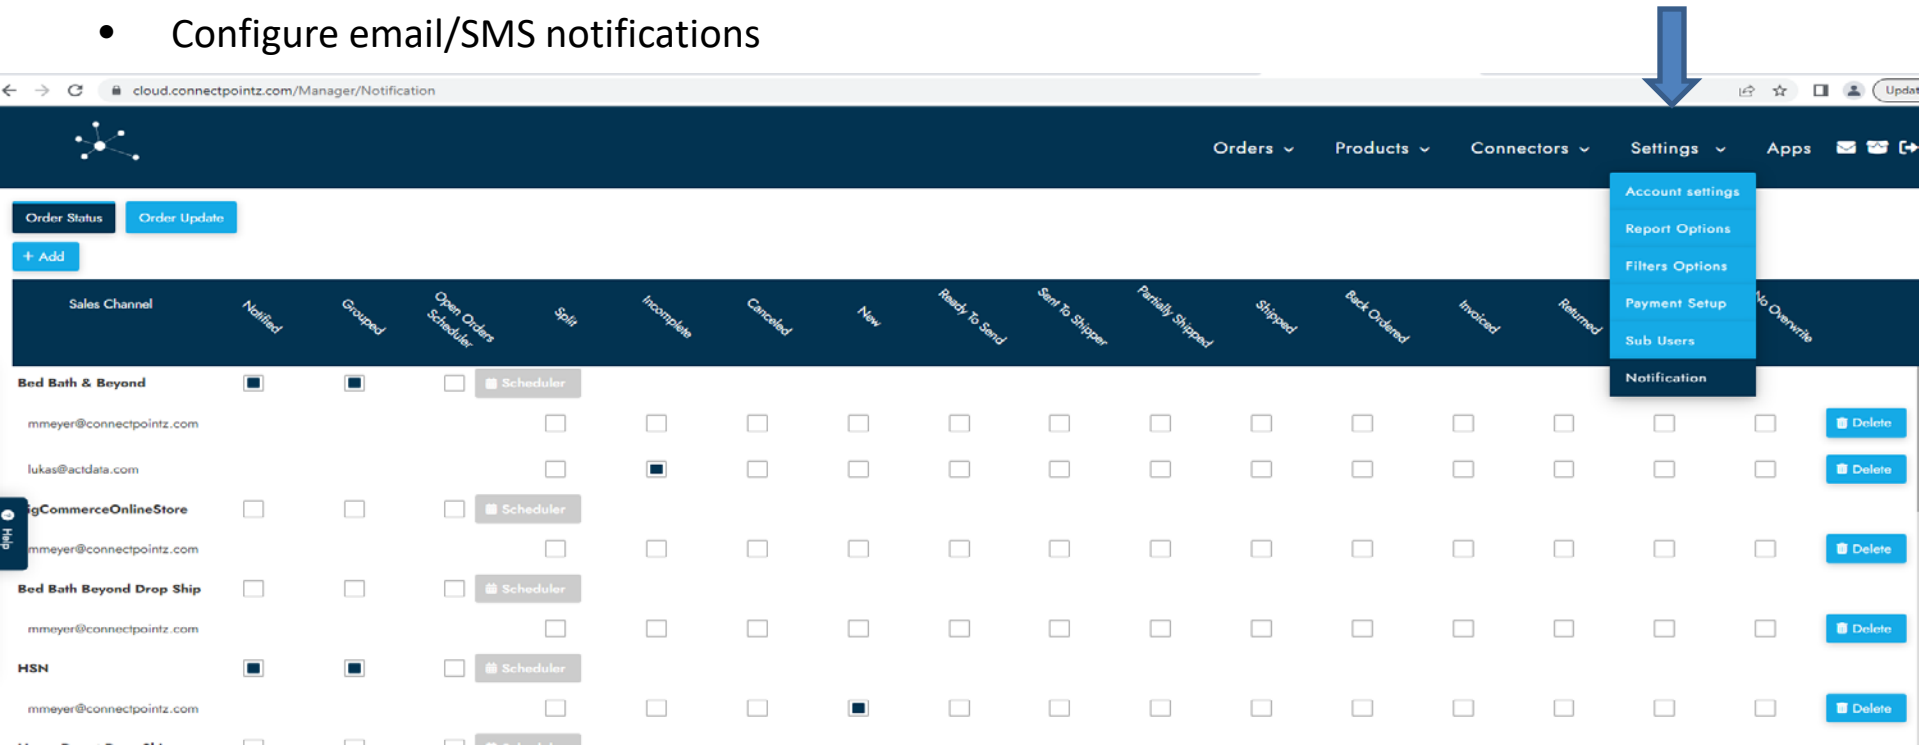

The screenshot displays the ConnectPointz web application interface. At the top, the navigation bar includes 'Orders', 'Products', 'Connectors', 'Settings', and 'Apps'. The 'Connectors' menu is expanded, showing 'Sales Channels', 'Shippers', and 'Carriers'. Below the navigation, there are three tabs: 'My Sales Channel', 'Disabled Sales Channel', and 'Request New Sales Channel'. The main content area shows a list of connectors, each with a logo, a name, an 'Auto release' checkbox, and 'Disable' and 'Settings' buttons. The connectors listed are:

- Bed Bath & Beyond**: Logo is a blue square with 'BED BATH & BEYOND' in white. Connector name is 'Bed Bath & Beyond'. 'Auto release' is checked.
- Bed Bath & Beyond Drop Ship**: Logo is 'BED BATH & BEYOND'. Connector name is 'Bed Bath Beyond Drop Ship'. 'Auto release' is unchecked.
- BigCommerceOnlineStore**: Logo is 'Bigcommerce sell more'. Connector name is 'BigCommerceOnlineStore'. 'Auto release' is unchecked.
- Cpz order flow test**: Logo is a warehouse image. Connector name is 'Cpz order flow test'. 'Auto release' is unchecked.

Below the connector list, there are logos for 'DG', 'H-E-B', 'HENRY SCHEIN DENTAL', and 'THE HOME DEPOT'.

Manage Settings

- Configure password
- Configure reporting details
- Configure filtering options
- Configure payments settings
- Maintain sub-users
- Configure email/SMS notifications

The screenshot shows the 'Manager/Notification' page in the cloud.connectpointz.com interface. A blue arrow points to the 'Settings' dropdown menu in the top navigation bar. The dropdown menu is open, showing options: Account settings, Report Options, Filters Options, Payment Setup, Sub Users, and Notification. Below the menu is a table of notification settings for various sales channels.
